

**Clients with Insurance who are seeing a Chiropractor**  
**Please be aware!**

- I am seeing a Chiropractor.
- I am not seeing a Chiropractor.

If you have an Appointment per Year Limit – Chiropractic and Massage appointments are typically in the same service group as Physical Therapy. It is your responsibility to know what services you are receiving and how many appointments you have utilized. Homer Physical Therapy is unable to obtain or keep track of this information. Failure to monitor your appointments elsewhere, in addition to services here, may result in your accruing financial obligations beyond your insurance policy coverage.

Please feel free to discuss this issue with the Homer Physical Therapy front desk personnel or billing staff prior to initiating services.
